Muskogee Young Professionals

Muskogee Young Professionals (MYPros) is a group of young professionals who want to promote and preserve Muskogee's businesses, attractions and events. MYPros provides opportunities for professional networking, development and social events. The members represent a unified and credible voice for young professionals on community issues, with an emphasis on enrichment and quality-of-life opportunities. MYPro's goal is to make Muskogee a great place to live, work and play for both the current and future residents.

Who is a young professional?

Our members are professionals from age 21 to the young-at-heart in the Muskogee area.

A professional is loosely interpreted to include those employed in and around Muskogee.

Happenings:

MYPros Gatherings: MYPros meets on the *2nd Tuesday* of each month at a different location. This is your opportunity to network with other young professionals and local business owners in a professional atmosphere.

UnPlugged Series: Brown bag lunches with local business and community leaders meets *as scheduled*. Prior UnPlugged lunches have included lunch with Muskogee Mayor Wren Stratton, and Congressman Dan Boren.

Pub Club: MYPros meets on the *4th Thursday* of each month at a different location. This is an opportunity to get to know other young professionals in an informal social atmosphere.

MYPros is just getting off the ground, so we want you to help make us a success. Membership is free, so join and take advantage of the social and networking opportunities.
